

Head Coach Report October '21

~ See It Try It was great and it was nice to see some new faces and enthusiasm for our sport.

~ We have 4 Competitive swimmers. We will be swimming as 2 duets. We have 4 Lcomp swimmers. We have 5 Master swimmers. We have 5 Rec swimmers. Everyone has been registered.

~ Training meet #1 was canceled. We still don't know if we will have any in person competitions this season.

~ We were not able to get a rental at the Civic Centre for dryland because the Health Authority has booked the facility until March '22. We are renting the Rotary Hall on Thursdays only. Both competitive and Lcomp will attend dryland training.

~ RAC has requested to have one lane back from our original rental. On Thursdays we will go to 3 lanes from 6-7:30.

~ It is my recommendation that we do not host our usual winter watershow. RAC now requires anyone over the age of 22 to be vaccinated. This would include anyone coming to watch our watershow if we have more than 50 people attend. The pool has limited hours this season and is closed on Sundays. Our option was to have a 1:30-2:30 rental on Saturday. With the restrictions as they are I feel gathering as a group is not a wise decision. Fingers crossed that by spring the restrictions will allow us to showcase our routines and have a celebratory end to the season.

~ One of our sound systems is giving us trouble. I have taken the sound system from RAC to NAC as this is where we predominantly use it. I know we are trying to reduce expenses so I will try to get the other sound system looked at without charge. But it is my fear that it is at the end.
