

Head Coach Report Nov/21

Two of our rec swimmers have moved up to the Limited Competitive team. This means our Lcomp team has 6 swimmers and our rec has 4 swimmers. This is very exciting for the Lcomp to have a good size team!

We have a deadline of Dec 13/21 to complete our fully vaccination checks as requested by BCAS. This includes all swimmers 12 yrs and older, coaches and any spectators who wish to sit on deck. Lisa has scanned the vaccination cards with the phone app. We also have a paper copy of who we have checked. I have completed a form requested by NAC to share how we are checking and verifying vaccination status of our swimmers, coaches and spectators.

Our broken sound system is back in action. Thanks to Tim who figured out and fixed our problem. He also fixed the wagon. We now have a sound system at both NAC and RAC.

Training meet #2 is Dec 11/12 for the competitive team only. Videos will be taken of the figures and submitted late November. Tm #3 is listed as a virtual meet.

Jean Peters has been changed to June 3-5 in Kamloops. I'm not sure what will happen with this meet with the recent highway closures. Stay tuned!
