

Head Coach Report Feb 2022

Swim-a-thon was successful but light on attendance. The little ones always amaze me!

Training meet #3 was canceled for in-person PS swimmers. NS swimmers were the only athletes attending in person. Our routines were sent virtually and coaches will receive feedback around March 5/6th.

Dates: Spring break - we will not practice Sunday March 13th ~~but will practice Sunday March 27th~~
Time Trials – Thursday April 7.

Bring a Friend Day - Tuesday April 26th That will be our last week for Rec and Lcomp.

I will register swimmers for the Mable Moran meet April 23/24 in Coquitlam. This meet is an in-person event, ~~however we have the choice of attending virtually~~. So far Provincials are slated for June 4/5 in Kamloops.

Our Rotary Hall rental will end at the end of April. As well as not using it while on spring break, March 31st is not available.

Amanda at RAC has agreed to us giving them a card with our club info to staple to the swim lesson report card. Next year the swim levels etc are changing and they are following the lifesaving society program. At this date she does not know what that will look like regarding report cards so we will have to wait and see.

Year end watershow : I propose we have our watershow at NAC during our regular Sunday practice (5-7pm) on May 1. After the show we can present our swimmers on deck with our annual awards. (time trials, attendance, swim-a-thon, fundraising, star testing) We only have 6 routines to showcase so after the show and awards there would be time for 'free' time in the pool for anyone who attends. Anyone who attends would have to show their vaccination passport and wear a mask.
