

Head Coach Report May 2022

The Watershow was great! It is nice to see our next wave of swimmers performing with such ease. It was also nice to have the bigger facility that can accommodate a larger spectator area. With all the swimmers on the other side it let us have a staging area. Next year we'll try again for the dive tank!

Debbie has told me she is available for any summer camps we offer.

I have filled out the request form for pool space at NAC for next season.

I have mailed their star 1 pin/certificate to both Silver and Coco.

Looking into the future. Lcomp team are all eligible to try out for the BC Summer Games in 2024.

Syd, Nat and I are working on tweaking their duet and solo for our upcoming Provincials in Kamloops. I will be flying there and back. The schedule so far - Figures... Sat 8:40-9:50am - Solo... Sat 4:45-5:30pm - Duet... Sun 10:25-10:40am
